Our best offers
for you!

THURMETALL

TM-CLASSIC

UNMISTAKABLE & UNIQUE

Up to 5 years
warranty on our
products

Top quality thanks
to housing load capacity
of up to 4 tonnes

DRAWERS, MACHINE CABINETS AND ROLLBOYS

100% volume utilisation = perfect
use of space

No-crossbar differential
pull-out = smooth-running
and quiet

Practical partition material
can be used for the
entire range

- Load capacity of 400 to 4000 kg with an evenly distributed load
- Drawer load capacity of 75 kg
- Drawer handle with large labelling area
- Drawer usable areas:
Width: 605 mm = 0,30 m², 805 mm = 0,42 m², 1005 mm = 0,54 m²
- Full drawer extension
- KEY Lock – our standard locking system with 2 keys

Central locks with single-drawer blocking system (tilt protection) as standard

Handle with two colour corners for immediate visual recognition and large areas for labelling

Individual drawer safety catch on the right for all mobile cabinets for one-handed operation

WORKSHOP TROLLEY PRO

Improved equipment, more functions and increased ergonomics: The **Workshop Trolley PRO** – from our **TM WORKMAN product line** – offers you even more benefits with its sturdy and high-quality steel plate construction, a chrome steel and plastic storage surface and soft-close drawers. The perfect solution for any professional or private workshop.

- Additional storage space and work surfaces
- Optimum load capacities of 40 kg per drawer and a load capacity of 250 kg for the castors
- Robust, ergonomic push handle
- Full mobility thanks to the smooth-running fixed and swivel castors (two of each) in solid rubber
- Perfect work safety thanks to locking device that prevents unintentional opening in transport
- Optional accessories, such as plastic boxes and extensive accessories for hanging on the perforated side panel

READY TO SEND IN ONLY 48 HOURS

Our products already impress with their high quality and reliability, and now another feature has been added to a selected range of products from ThurExpress: fast delivery. From March 2024, customers will benefit from a shortened delivery time of just 48 hours. The delivery time to the destination varies depending on the location in Europe.

SELECTION

Browse through our catalogue and find the right product for your needs.

DELIVERY

Our products are dispatched by lorry and can take more working days depending on the destination in Europe.

PREPARATION

We have received your order and are preparing it for dispatch.

ORDER

Go to our website or contact one of our representatives to place your order.

SATISFACTION

In the best Thur-Metall manner, your satisfaction is not only guaranteed by the quality of the products, but also by our express delivery.

The use of high-quality materials, state-of-the-art machine technology, environmentally friendly production processes, permanent quality control, and a highly motivated team of employees guarantee durability in a timelessly beautiful design at an impressive price x performance ratio.

Quality

Thur Metall drawer cabinets made of high-quality sheet steel and matching workbenches are among the favourites in trade and industry. Whether in the assembly hall or in the workshop, in the research laboratory, museum or hospital, in the small parts warehouse or in the showroom: Thur Metall impresses wherever tools, stored goods and small parts need to be available safely, space-savingly, clearly organised, and within easy reach.

5 year warranty

You can rely on our quality products. That's why we offer our customers a 5-year warranty on the entire range. A warranty period of 1 year applies to workbench tops and electronic parts.

Certified production

The manufacture of Thur Metall products is based on the following standardised principles:

ISO 9001: Quality management.

ISO 14001: Environmental management system.

ISO 45001: Occupational health and safety management system.

High-quality surfaces

Using the latest powder coating technology for high abrasion resistance.

Sold exclusively through specialised dealers.
