

BLUELINE

BE DIFFERENT.

THURMETALL

Set your workshop in the right light

True to the motto „be different“, our anniversary edition gives your workshop an extraordinary look and feel. With the blue LED highlights, you make a statement that shows what you stand for. BLUELINE combines all innovative solutions from Thur Metall. It is versatile and expressive, while enthusing and inspiring: an eye-catcher in LED technology.

Form right down the line: BLUELINE
