

Thur Metall AG

Bespoke workspace furnishings

From drawer cabinets to rollboys, from workbenches to assembly stations, from computer cabinets to NC systems – Thur Metall can furnish entire workspaces in workshops and commercial premises. Ongoing quality control and a highly motivated team of employees guarantee durability in timeless design at an impressive price / performance ratio. Stability, durability and a functional design are the result of decades of experience and innovation.

Thur Metall drawer cabinets, made from high-quality sheet steel, and matching workbenches are favourites for industry and commerce. Whether in a production hall or workshop, research laboratory, museum, hospital, small-parts storage area or in a showroom: Thur Metall shines where tools, stored goods and small parts need to be stored safely, compactly and systematically while remaining close at hand.

Thur Metall products are manufactured according to the following norms: ISO 9001:2008 Quality Management Systems, ISO 14001:2004 Environmental Management Systems and OHSAS 18001:2007 Occupational Safety and Health Management Systems.

We guarantee high wear resistance by using the latest powder coating technology. Fifteen standard colours are also available in two-colour combinations at no extra cost. Custom colour schemes give employees a positive impression towards the workplace and your company.

You can rely on our quality products. So much so that we offer our customers a 5-year guarantee on all products in the Thur Metall range. Workbench tops and electronic parts come with a 1-year guarantee.
